Principals’ Report:

**Spring Fair**

A lot of work is being done this week in preparation for this Saturday’s Spring Fair. It will start at 10am and conclude at 4pm. This is our P&C major fundraiser for the year and I ask as many families as possible to get behind it and turn up on the day. A number of community organisations will be supporting us on the day. The fair will feature a mixture of activities including a number of rides, stalls, music, children’s art as well as Corindi Idol. At present there are over 10 acts for Corindi Idol and performances are set to commence at 2.00pm. If anyone wishes to cash in on the discount bands for rides, the cost of $25 for a single and family discounts only lasts until Friday. Children have only a couple of days to contribute to class raffle baskets. I am looking forward to seeing you there.

**Kinder Orientation**

Our first Kinder Orientation will take place this Wednesday, 15th October. Parents are asked to bring their children to the kindergarten room at approximately 9am. When your child is settled we will be holding an information session in the K/1 room. Please ask at the office if you are unsure. A number of people will speak about starting a child at school. The session will conclude with a morning tea before you are requested to pick up your child at 10.30am. The remainder of our Kinder Orientation/Transition program will be also outlined. Any concerns please contact the school.

**Anti-Bullying Plays**

The majority of our children attended one of two plays yesterday. Both plays were centred around Bullying and dealing with it in school situations. Talking to both students and staff, the plays were well received and continued the school focus on Bullying. We let some children attend even though they hadn’t paid if they indicated that they would pay later in the week. Cost was $5 per student and we would like outstanding monies paid as soon as possible, please.

**Maths Competition**

Congratulations to the following students who received University Maths competition certificates at yesterday’s assembly. Charlie Hall, Serge Denblyden, Jett Williams, Lilly Barley, Milly Hall, Amy Matthews, Luke Taylor, Lauren Reinecker and Harmony Swain-Davies all received participation certificates. Winston Gould received the Principal’s award for Endeavour. Both Marli Keating and Tane Murphy achieved a credit which is a tremendous effort while Ethan Sorbello continued his excellent progress being awarded a Distinction.

**Year 3 Excursion**

Children participating in next week’s Year 3 excursion should have already completed payment. They leave for Port Macquarie next Wednesday, 22nd October and I am sure they are excitedly looking forward to their trip.

Year 5 Excursion

Numbers for the Year 5 Excursion need to be finalised including payment as soon as possible. Any concerns please contact the school.

K-6 Swimming

Swimming for all our children will continue this Friday. The only reason that we wouldn’t go swimming is if there was lightning or extremely cold weather. The majority of students participated last week resulting in most staff being able to attend. We also appreciate the number of parents who assisted with the program.

Extension Group

This term the focus KLA for our Extension Groups is Visual Arts. Mrs Owen has organised for Lalla Jones from Woolgoolga High School to again run a day long work shop for nominated students. This initiative will take place next Tuesday, 21st October. No cost is involved. A permission note for eligible students will be sent home later in the week.

Year 6 to 7 Transition

Two initiatives are coming up next week in preparing our Year 6 student for transition into Woolgoolga High. Firstly, after lunch next Wednesday, 22nd October our students will be transported by bus to the high school where they will participate in two lessons, science and woodwork. They will be accompanied by Mr Taylor. A permission note has been sent home today. Please complete the form and send it in to school as soon as possible. On Friday, 24th October Year 6 students will participate in a Kanga Cricket day along with fellow Year 6 students from other northern beaches primary schools. These activities are designed to increase students confidence in preparing for high school as well as encouraging friendships between students.

Jumpers

As we are now out of the cooler months we have accumulated a large number of jumper’s and jacket’s, most of which haven’t a name. If you child has misplaced some clothing please take this opportunity to come up to the school and take a look. They won’t last long as, if not claimed they will be washed and placed in the clothing pool.
School Assembly

Congratulations to Year 3 who were named ‘Class of the Week’ at yesterday’s assembly. They will look after Garbi until next week. Next week’s assembly will feature an item from Year 4.

Calendar

Attached to this week’s newsletter is a Term 4 calendar as promised.

Mr Rayner

1/2 News...

Just a reminder that the Spring Fair is this Saturday and we still desperately need donations for our class chocolate basket. Thank You!

Miss H.

K/1 News...

Just a reminder that the Spring Fair is on Saturday and our ‘Beauty Products’ basket is only half full. Any donations would be greatly appreciated. I still have a couple of report folders outstanding so could you please check at home. We are busy doing our artworks which will be on sale at the Fair. Thank You.

Mrs Jarvis

Year 4 News...

Welcome back for Term 4. This term year 4 will be looking at the COGS unit "Working Together". In maths, we have began to look at prime and composite numbers, we will also be revising our times tables. This term has started positively and we are looking forward to a busy but productive term. Our spring fair basket (entertaining) is coming along nicely, however if there are anymore contributions they are more than welcome.

Mr Marzinotto

A NOTE FROM THE LIBRARY ...

NEW ... NEW ... NEW!!

I am pleased to have been able to add more than 60 new books to our collection recently. The Superhero Origin series is proving very popular as is the funny 52-Storey Treehouse. Lots of new animal information books are also on the shelves.

GAMES – Lunchtimes have been busier than ever with students trying out our new games!

OVERDUES – Several students have had our library books out for more than a term. Letters have gone home today.

Thank you to those parents who encourage their children to return their library books weekly!

Mrs Davies

BOOK CLUB

Book Club brochures have gone home today and are due back Thursday next week 23rd October.

Orders go into the gold money box outside the office.
