Principals’ Report:

Year 3 Camp

A big thankyou to Mrs Vines, Mr Skinner along with parents Lana Taylor, Chris Goodman and Michelle Gould for all their work and supervision during the Year 3 excursion to Port Macquarie. From all reports our children had a great time. While on Year 3, Mr Hasson returns from leave this Thursday. I would like to thank Mrs Vines who has done an outstanding job in Mr Hasson’s absence.

Kinder Transition

This Wednesday, 29th October the school will be hosting the first of 4 Transition Days where our new Kinders get to stay at school from 9 till 11.45. This period includes recess so children will need some morning tea and a drink (preferably water). A hat is also required for the playground.

Spring Fair

Final figures on the Spring Fair indicate that over $12000 was taken on the day with a profit of approximately $7000. Well done, everyone!

Visual Arts

Our Visual Arts Extension Group had an excellent workshop last Tuesday with Ms Lalla Jones and Mrs Owen. Their efforts are on display in our foyer and look fantastic!

Hats

School policy is that school hats need to be worn in the playground. This is especially important now the warm weather is upon us. If a child chooses not to wear a hat they can play in the bottom COLA. Please encourage your child to take a school hat each day and ensure that their name is clearly marked.

Year 6 Transition Activities

Our Year 6 children had two Transition activities last week. Firstly, I had good reports regarding their visit to the high school on Wednesday to participate in two lessons. On Friday, northern beaches primary schools attended a Kanga Cricked day and, although quite warm most had an enjoyable experience.

Year 5 Excursion

Year 5 students leave early tomorrow morning (Wed 7am) for their excursion to the Great Aussie Bush Camp north of Newcastle. Mr Taylor and Ms Mann will be accompanying them and I am sure they will enjoy this popular excursion.

Swimming

K-6, with the exception of Year 5 will continue their swimming program this Friday. Parent helpers are needed to assist with the program. We have already 3 towels in our lost property so it would be advisable to label all your child’s gear.

School Assembly

Congratulations to Kinder who were named ‘Class of the Week’ at yesterday's assembly. Next week’s assembly will feature an item from Year 3 including reports on their excursion.

Year 3 News...

Year 3 had a fantastic time away at camp in Port Macquarie last week. We visited Trial Bay Gaol, the Historical Museum, Billabong Koala and Wildlife Park, River Princess Cruise, Maritime Museum and went camel riding along Lighthouse Beach. We will be sharing our favourite experience at our school assembly item on Monday next week. A big thank you to Mr Skinner, Mr Goodman, Mrs Gould and Mrs Taylor who helped out, we couldn’t have done it so well without you.

Students are reporting great beginnings on their ‘Making Informed Choices’ projects. We are practising writing procedures in class which should help with the medicine part. Keep it up 5/6O! We hope our Year 5’s have a great time at camp!
