Principals’ Report:

Year 6 Excursion

After a long trip, including a change of buses at Nambucca Heads a weary group arrived in Canberra yesterday morning. They had a full day taking in the Australian Institute of Sport, Film and Sound Archives, Museum of Natural History and the War Memorial where our children had the honour of laying a wreath in front of a large crowd. I spoke to Mr Taylor this morning and they had a restful night and are off to Parliament House today.

Year 5

While Year 6 are away it gives us the opportunity to give some responsibility to Year 5 students. It is only a matter of weeks until students and staff vote for our captains and vice captains for 2015.

Year 3 News...

Homework and Home Reading Journals were handed out yesterday and are due in on Friday. In COGS we have been looking at how a community satisfies our needs. We investigated areas such as protection, transport, entertainment and recreation, communication, employment, medical and education. In maths we have been looking at the amount of turn, and how to describe this in direction (eg clockwise), degrees turned and the amount of turn written as a fraction. We have started researching something that Mr Hasson saw in his travels. Eg Pompeii or the Loch Ness Monster. Our research is due in this Friday. Year 3 will e-mail their reports to me at school. In writing, we are going to investigate and write a Procedure. Last week we started Speeches as part of our Talking and Listening. So far we have heard some very interesting speeches by Lilly on the Platypus, and Jayde on Tepees.
