Principals’ Report:

Social Media

I received a report last week from a parent regarding their child being sent inappropriate images on social media. Apparently, it was in a chat room and a person joined in before sending through some images. Perhaps it is appropriate to discuss this scenario if your child uses some type of social media.

Retirement

Fresh on the news of Mrs Fripps’ retirement, I can advise Mr King is finishing his teaching career after the coming holidays. I’m sure you will join me in wishing him the best in his retirement and I will let you know if there is an event to celebrate this milestone.

Movie Night

From all reports last week’s Movie Night went off very well. I would like to thank staff for arranging the evening as well as parents who helped with canteen etc.

Merit Selection

As a result of Mr Kings retirement, the school will have the opportunity to advertise for a new Assistant Principal during Term 2. At yesterday’s P&C meeting Michelle Gould was confirmed as the parent representative on the selection panel. She will join myself, Mr Taylor (staff rep) and Mrs Brown (Aboriginal community rep) on the panel. I will keep you informed throughout the process.

Easter Raffle

P&C are having an Easter Raffle at the Easter Hat Parade.

$1 a ticket or 3 for $2

Thanks,
Michelle Gould, P&C President

Self Help Raffle

My thanks to Rebecca Hicks from Lorikeet Resort for their donation of a nights accommodation in a 2 bedroom unit for 2 adults and 3 children. More prizes are needed for our self help raffle. If you can help in any way please let us know.

Rewards Days

Classes will be holding Rewards Days during this week to acknowledge children who consistently do the right thing. Children on behaviour levels are unfortunately excluded from these days. Any concerns please contact the school.

Interviews

I hope you have taken the opportunity to organise an interview with your child’s teacher if you thought it necessary. Some teachers also wanted to discuss certain children’s progress with their parents. It is most important that we have open communication between the school and home.

Volunteers

Volunteers now have to sign a Prohibited Declaration to work with children. You can pick up a form at the office and they will advise what you need to do in order to get a clearance in working with children.

Work Experience

A warm welcome to our 6 work experience students from Woolgoolga High School. Shania, Gabbi, Kelsey, Chloe, Aaron and Jason will be with us all week and we hope they enjoy the opportunity.
Our Easter Hat parade will be held this Wednesday 9th April commencing at 2pm. Children have been busy working on their creations in class, assisted by teachers, aides and work experience students. We have also invited children from our local pre-school. My thanks to Mrs Davies for organising the event and to our P&C who are providing the Easter eggs. I also hear a special guest may drop in for our event! The P&C will be selling raffle tickets on the day for Easter prizes.

**Anzac Day**

Anzac Day is a very special day on the Australian calendar and it is acknowledged by our school every year by our participation in the Anzac march held in Woolgoolga. The march will again be held on Friday, 25th April commencing at 11:00am. Unfortunately, it falls on the last Friday of the school holidays but I hope as many families as possible will be in attendance. Students and staff are also asked to gather in front of the National Bank, Woolgoolga from 10:30am, dressed in school uniform. I hope to see you there.

We will also have a member of the R.S.L. speak to our children about Anzac Day at this Thursday morning’s assembly.

Finally, my thanks to staff, students and parents for your efforts this term and I hope you enjoy a happy and safe holiday. See you next Term!

Year 3 News...

In Maths we have been investigating Column Graphs. We then surveyed the class and recorded our results using a column graph. We are also going to look at chance in an experiment. I would like to see year 3 practising the 3X, 4X and 5X tables at home this week. In writing we are going to write a Persuasive story about having sugar drinks (eg cola) at school. In Grammar we have been investigating at Homophones and verbs. The Easter Hat Parade is on tomorrow. The children have been busy making their hats in class, and we are all looking forward to the parade. Thankyou Sandy for helping year 3 with their reading. On behalf of everyone in Yr 3, a huge thankyou to Mrs Thompson for helping out in our class over the past 5 weeks. I hope that everyone has a safe and relaxing Easter holiday.

Mr Hasson

Year 4 News...

Hi everyone. There is no homework for this week as it’s the last week before the school holidays. On Monday we started making our Easter hats for the parade on Wednesday. If any students would like to bring in more items to help decorate our hats, it would be very much appreciated. Also just a quick reminder that textbooks need to be paid for. Hoping that you all have a safe and enjoyable holiday

Mr Marzinotto

ICAS Competitions

Just a reminder that all entries need to be in by this Friday 11th April. Thanks,

Mrs Owen
