Congratulations to our girls soccer team for their efforts in Friday’s Gala Day at Corindi Sportsground. They defeated Mullaway 2-1 in their first match before going down 3-0 to Woolgoolga in their second match. My thanks to Mr Marzinotto for coaching and managing the girls and the Corindi Breakers Soccer Club for providing a canteen on the day.

A thought for the week ...

WHY WE READ

Mrs Davies
Year 2 News...

This week we are starting to look at batteries, wires, bulbs, motors and buzzers. We connected the wires to make our circuits work. Over the past two weeks Year 2 students have been using the iPads to film and take photos of students doing the right thing at assemblies. I will then put them together as a video for Positive Behaviour Learning. Don't forget home reading every night.

Mrs Bartlett

Year 3 News...

Homework and Spelling sheets have been issued yesterday and are due in with Home Reading Journals on Friday. In maths we will be looking at 2 digit subtraction using a number line. We are also going to look at 2 digit subtractions written as algorithms. In grammar we will look at Relating and Auxiliary verbs. We have also been writing some very descriptive poems about machines. In our COGS unit on “Movement and Energy”, the children will be completing continuous line drawings of machines. Well done year 3. The Auslan Finger spelling of the alphabet and individual names; poetry and art display at the big assembly was excellent.

A big thank you to our parent volunteers, Brett Killen, Natasha Smidt and Jeremy Batiste who will be accompanying us on our 4 night/4 day excursion 16th – 20th November. We hope you’re going to enjoy it as much as we will. We have room for one more mum if anyone is available.

**Live Life Well @ School**

Establish healthy family habits

Children are more likely to eat well and be active if they are surrounded by family members working to do this together.

**Talk together as a family** – decide on some healthy goals you would like to try as a family.

**Start slowly** – start with small changes that are achievable and will give your family success.

**Include children** – ask younger children for their ideas and let older children make some decisions about what family activities to try.

**Get going** – choose a family activity for a week and have a go e.g. turn off the TV for one night and play a game together or go for a walk after dinner.
