TUESDAY JULY 15, 2014
TERM 3, WEEK 1

Principals’ Report:

Welcome back everyone.
I hope all our students, staff and parents have a happy and successful Term 3.

Calendar

Again, we have a busy term ahead of us. To assist you I have included a Term Calendar for you to put on your fridge. I would like to point out that there are a number of activities for students that require a cost to parents. These include; a visiting performance (Heidi Hodeo’s Circus Rodeo) in Week 2 ($4.50 per child) and Life Education program (Weeks 4&5) $3.50 per student and school photos which will be taken on Monday, 21st July with money required beforehand.

Excursions

Please note, there are 2 major excursions this term, Year 4 in week 5 and Year 5 in week 8. Excursions must be paid for before students participate.

Sports Day

This Friday, 18th July is our famous Sports Day which will be held at the sports ground. Students are asked to gather on the corner near the Amble Inn for the march past through the village. Again, my thanks to the local SES crew who will control traffic in the area. The bus company has been contacted and children will also be dropped off at the Amble Inn where staff will be there from 8.15 to provide supervision. For those of you who have never attended one of our Sports Days, it is something not to be missed! I’ll see you all there and may the best house win.

Naidoc Week – Cultural Day

In the last week of Term 2 the school held NAIDOC Week celebrations. On the Tuesday we had a Cultural Day with a number of our Aboriginal parents running workshops. The day was a huge success and a big thank you to our presenters, staff and parents who assisted on the day.

Self Help Raffle

I hope that our children took the opportunity to sell some self help raffle tickets during the holidays. Tickets (sold and unsold) are due back by Wednesday, 6th August (Week 4). Provided the majority of tickets have been returned the raffle will be drawn at Monday’s assembly in Week 5.

Anti-Bullying Program

All classes will participate in Anti-Bullying lessons during this term. There will be 5 lessons focussing on what bullying is, types of bullying, strategies to deal with bullying as well as Cyber bullying for Stage 3 children. The first lessons will take place next week.

School Photos

School photos will be taken on Monday, 21st July (next Monday). Class, individual and family portraits are available. Each child will get an envelope and you are asked to complete your order, enclose money and return to school prior to Monday. Any concerns please contact the school.

Education Week

Education Week will be held in Week 3 and feature an Open Day on Friday, 1st August. On this day we will have a number of class or stage items during a special assembly. More details over the next two weeks.

Touch Football

I have entered both a boys and girls team in the Coffs Harbour Gala Day on Friday, 25th July. Trials will be held at school this week and next week. Only students who display positive behaviour both in the playground and in the classroom will be considered. I will need parents assistance with transport on that day.
State Cross Country

Best of luck to Kooper Culling who will be competing at State Cross Country this Friday. Kooper is representing North Coast and, although having an injury setback recently we know he will be trying his very best.

School Assembly

Our first school assembly for the term will take place next Monday, 21st July at 2.10 pm. It will feature an item from Year 2.

Miss H

Year 1/2 News...

Welcome back everyone, I hope you had a fabulous holiday. We will slowly get back into the swing of things this week with Home Reading starting from today. There will be no homework given this week as we have our Sports Carnival on Friday. I would still appreciate classroom helpers for reading groups on Monday, Tuesday and Thursday mornings. Thank you.

Mrs Bartlett

Year 2 News...

Welcome back to Term 3. This term we are starting a literacy unit based on the book 'Lester and Clyde' which is about two frogs who live in pristine waters and pollution ruins their waterways. We will be studying frogs and their environment. If anyone can get tadpoles we would really like some for the classroom to watch them grow. Ms H and I are also looking at organising an excursion for Stage 1 later this term - more information to come in the next few weeks.

Mrs Bartlett

Year 3 News...

Welcome back everyone. Already, it looks like Term 3 is going to be a busy term. Homework will be given out today, and is due in on Thursday this week, due to the Athletics Carnival on Friday. Our COGS for this term will be “Effects of Growth and Change.” We are continuing to complete our daily activity logs as part of the Premier's Sporting Challenge. A big welcome to Mrs Mary Kemp, who joins us from Curtin University. Mrs Kemp will be completing her 4th year Internship in Term 3. This week we will start to organise our item for the Education Week Assembly that will be held in Week 3. Good luck to all the runners at Friday's Athletics Carnival.

Mr Hasson

Year 4 News...

Welcome back for Term 3. Homework has been sent home today and is to be brought back on Thursday, due to the Athletics Carnival this Friday. The COGS unit for this term is 'Growth and Change'. Year 4 will be focusing particularly on State and National Parks, along with Rainforests. Just a reminder, Week 5 of this term is the Year 4 excursion to Cascade Environmental Education Centre. The excursion is from Wednesday August 13th to Friday August 15th.

Mr Marzinotto
Year 5/6T News…
Welcome back to all of my students. We have a very busy Term 3 with a Sports Carnival, a Great Debate, Life Education and the Year 5 Camp. Our Unit this term will be ‘Space’ and will include an assessment project. Year 6 will also be involved in a Transition Day being organised by Mullaway Public School. As always I will have high expectations for all of my students in the areas of learning and behaviour. A reminder that all Reports should be returned by this Friday, as I need to add new work samples for the final report. Again my short parent meeting time is Wednesdays at 10.30 to 10.45am. Please call the office for other times if needed.

Mr Taylor

Science Extension Group

Notes for this terms students, chosen from Years 4-6 to attend the Science Extension Group, will be given out today. I am looking forward to this years “Scintillating Science” research!

Mrs Owen

School Photographs

As mentioned earlier in the newsletter School Photos will be taken on MONDAY 21st July. This date had to be brought forward yesterday due to sporting commitments now being held on the original date. Most children were given a school photo envelope today, however Year 5/6T should get theirs tomorrow.

If you require a Family Photo, envelopes for these are available from the office. The envelopes need to be returned to the class teacher prior to photo day but due to the short notice will also be collected outside the office on Monday morning.

Correct money must be sealed in the envelopes as the school does not handle this money. Each child MUST have their own individual envelope. Please note that the office cannot give change for photo money as we are not permitted to carry change floats in the office.

Mrs Golsby-Smith

Corindi Athletics Carnival

Our carnival will be held this Friday and is one of the largest events held in the township. We encourage everyone to become involved by dressing up or decorating in your child’s house colours.

DOLPHINS — RED
SHARKS — BLUE
EELS — YELLOW

Please ask all friends and relatives to come along and enjoy this AMAZING EVENT!

Sacks

The school urgently needs sacks for our Athletics Carnival this Friday. If you can help please contact the school.

P&C News…

The P&C will be running a canteen at the Corindi Sports Carnival. There will be a bbq, hot food, sweets and drinks.

Check us on our website: www.corindi-p.schools.nsw.edu.au
Canteen News...

Canteen will re-open Wednesday next week.
