The simplest way

...to stay healthy in summer.

Here's some fun ways to get your kids eating more fruit + veg this summer...

- freeze fruit or mint leaves into ice cubes to chill + flavour water
- add vegie sticks whenever you have a dip
- throw some veg on the BBQ – e.g. capsicum, tomato + zucchini
- keep a tray of fruit pieces like orange wedges or melon slices in the fridge for quick snacks
- freeze bananas, peeled and wrapped in gladwrap, your kids will love the icecream taste
- make easy smoothies with frozen fruit + reduced-fat milk.

Remember: try to eat fruit + veg at every meal!

The simplest way

...Six steps to packing a healthy lunch.

Follow these tips to make lunch-packing a cinch!

- **Breads/ cereals:** wholemeal or wholegrain bread, wraps and pita. For a treat, pack pikelets, rice cakes or homemade muffins and slices.
- **Fruit:** Serve in fun ways; try fruit kebabs or fruit in jelly, and cut whole fruit into small pieces.
- **Veggies:** Pack carrot or celery sticks with hummus.
- **Reduced-fat dairy:** A slice of cheese, yoghurt or custards are all great lunch box items.
- **Lean protein:** cooked chicken, tuna, egg or roast meat. Legumes like red kidney beans and chickpeas are a good source of protein, and a great source of fibre too!
- **Water or milk:** Water or reduced-fat milk are the best drink choices for the lunch box.
