**Kindy News...**

Welcome to all the new Kindy kids and parents for tomorrow (Wednesday). It's a very exciting day for you all and I am looking forward to a rewarding and fun year. I am sending an information sheet home this week and we will have a parent information meeting in a couple of weeks. However, if you have any questions or concerns, please let me know and I will help in any way I can. Have a great week.

**Year 1 News...**

Welcome back for another school year! We have quickly returned to the routine of school and have been working hard. Starting next week reading groups will be on Tuesday, Wednesday and Thursday and any parent helpers would be greatly appreciated between 9 -10am. Spelling and homework went home yesterday - some students were a little excited to have homework like the big kids. Homework will be stuck into a homework book on Monday and should be returned on Fridays. Home readers should be returned daily and it is important to remember that home reading should be easy and fluent. Year 1 library day is on Thursday and students will be provided with a school library bag.

**Year 3 News...**

Homework started this week. Children have been given a Home Reading Journal and a Homework folder. Home reading and the homework sheet are due in on Friday. In maths we have been looking at numbers to 1000, and counting in tens and hundreds. Later in the week we will investigate place value and we will try to write and order 3 digit numbers. This term our COGS unit is called Machines. Hopefully we are going to do lots of designing and making in this unit. Good luck to all our swimmers at Friday’s Small School’s Carnival.
