Kindy News...

Miss Grewel has taken over the Kindergarten reins this week while I am standing in for Mrs Wright. The usual program and routines will continue and the students will be well looked after by the experienced Miss Grewel.

We have started our K – 2 Sport Program which runs from 11.45 to 12.35 on Tuesdays. Students are divided into mixed K – 2 groups and rotate around fun activities which are based on fundamental movement skills. If you would like to be involved you are welcome to come along.

I will send home readers home next week. There will be an explanation sheet with these but if you have any concerns, please give me a ring.

Have a great week.

Schools Clean Up Australia Day

On Friday we had some fine weather and all classes were busy cleaning up our playground. Classes reported finding plastic, papers and cardboard. Overall approx. 8 small bags of rubbish/recyclables were collected. Our playground looks very clean at the moment. Let’s hope that we can keep this up throughout the remainder of the term. Well done to Year 4 who weeded the school garden area.

Tips for parents to reduce screen time
Monitor children’s use of television and small screen devices, set limits and encourage children to play outside during daylight hours.
Don’t allow television or computers in children’s bedrooms. Keeping televisions and computers in a common room enables you to monitor their use.
Encourage children to participate in other activities that involve physical activity as well as other indoor and outdoor games.

For more information and ideas on reducing screen time and physical activity go to www.healthykids.nsw.gov.au
