Principals’ Report:

Uniforms

At yesterday’s P and C meeting a change in the school shirt was discussed. Many parents have expressed difficulty cleaning the stains and marks from the fabric of the current uniform. We have 3 options that we would like your comment on.

Option 1 - Keep current uniform
Option 2 - Current style with different fabric
Option 3 - Change in style with new fabric.

Bradley Reinecker is shown wearing the 3 different styles.
Could you please fill in the feedback sheet and return it to school as soon as possible.

If Option 2 or 3 was the preferred option there would be a changeover period to enable students to grow out of their current uniforms before replacing them with the new ones.

UNSW Science Competition

The University of NSW Science competition will be held tomorrow for those students who nominated last term. It will be held straight after PEP.

Long Weekend

Just a reminder that next weekend is the Queen’s Birthday Long Weekend. There will be no school on Monday June 8.

Sizzling Starters

Students have been working on writing Sizzling Starters as part of our 7 Steps for Writing Success programme.

Check us on our website: www.corindi-p.schools.nsw.edu.au

Year 2 News...

Homework was handed out yesterday and is due back on Friday. This week homework will only consist of spelling to give children more time to finish their projects that are due this Friday. It would be a good idea to practice their speeches before they present them to the class. Home readers need to be brought in every day. I am excited and looking forward to seeing some wonderful models of local places.

Mr Marzinotto

Year 3 News...

Normal Homework has been given out for this week. Both the Home Reading Journal and the homework sheets are due in on Friday.

Projects. These are due in this week. We have already starting hearing speeches about our projects. So far they have been very interesting and informative. Some of the PowerPoint presentations have been fantastic, and Aalyah’s model and Grace’s diorama were superb.

In maths we have been revising measurement; measuring to the nearest millimetre.
In writing, our Sizzling Start was about the Twits being our next door neighbour, and how disastrous that would be.

The Stage 2 Excursion last week was fantastic. We arrived with the low tide and we were able to easily see the fish traps. We were very fortunate to have Chantelle from the SIMP Authority and Mr Skinner, as our guides for the day. Chantelle took one group to investigate the rock pools, and Mr Skinner took another group to look at Aboriginal use of the area. We were lucky to find ochre and a very, very old midden on the beach.

Year 4 News...

A big thank you to Ms Chantelle Burns and Mr Skinner for a very informative excursion to Arrawarra Bay last Wednesday. Students of Years 3 and 4 learnt all about the Indigenous use of the area as well as having a look at the diverse marine life found in the rock pools. A thank you must also go to parent helpers – Sharon Ford, Lana Taylor and Paul Corcoran, your help was much appreciated.

Premier’s Sporting Challenge
This is a NSW Government program aimed at getting students involved in sport and physical activity. It is a 10 week program, and year 3 has started this week. Every 20 minutes of physical activity done, adds up to gaining a weekly award level. There are 4 different levels to aim for each week- Bronze, Silver, Gold and Diamond.

Mr Hasson
The simplest way...

...to make a healthy afternoon tea.

Try these simple ideas for making snacks that will satisfy even the fussiest eater...

- **Home made hot chips**
  Slice potatoes into thin discs, and arrange on a baking tray sprayed lightly with olive oil. Grill until golden, and serve with a small amount of tomato sauce.

- **Bite sized fruit with yoghurt**
  It’s a fact - kids are more likely to eat fruit when it is cut up into small pieces. Try serving some diced fruit with some reduced-fat yoghurt. It’s a winner.

- **Vegie sticks**
  These are so easy to prepare and make a super healthy afternoon tea. Try cutting up some carrot or celery sticks and serving them with hummus.

**How much physical activity do children need?**

The National Physical Activity Guidelines for Australians recommend at least 60 minutes of moderate to vigorous physical activity each day for children. This can be spread throughout the day. Children do not get enough physical activity at school so encourage your child to be active before and after school.

Some ways to be active with your children:

- Walk to school, the playground or childcare
- Bike ride at the park or on a bike track
- Play ball games in the backyard
- Dance to music
- Encourage sport and organised games
- Schedule regular family time for activity
