Year 6 Transition Day

The year 6 Transition Day has been postponed until early next term due to the weather.

Principals’ Report:

Car Park

Parents are reminded to take care in the car park in the mornings and afternoons. Please do not park in the bus area.

Travelling home

Parents are also reminded that unless we have received a note or verbal permission no other children are to travel home with other parents. This is a safety and child protection issue.

Disco

Everyone is looking forward to the disco tomorrow night. The night starts at 4.30 for the K-2 disco. Food is served between 5.30pm and 6pm. Students in years 3-6 will have their disco between 6-7.30pm. This should give everyone time to be home before the State of Origin commences. Students can come dressed in blue or maroon or your team colours to support their team. The cost of entry is $2. Year 1 and 6 are providing the treats. This disco is only for students attending our school.

Reports

Reports will be sent home next Wednesday. Please fill out the parent feedback and interview sheet.

Debating

Our final debate against Kororo will be held this Thursday. The topic is that Paid work is better than Voluntary work. It has been a pleasure to see how our debaters have grown in confidence over the last few weeks.

**Year 3 News...**

In maths we have been measuring and comparing areas using a square cm grid.

In writing, we have been looking at building up tension in our stories. We are going to write about a volcano about to explode.

In Grammar we have been looking at adverbs. We have also started to investigate “when” adverbs.

Year 3 are looking forward to the Winter Disco on Wednesday at the Corindi Hall. The theme is Football.

---

**Stage 1 Excursion**

Don't forget $15 for Stage 1 excursion by Thursday. We are going to have a fantastic time exploring some of our great ‘local places’.

---

**Calling All Overdue Books**

We need all library books returned before the end of Term. Thank you for helping your child check at home. Green reminder notes have gone home.

**Year 5 News...**

Spelling sheets were given out yesterday. The class continues with our Australia and Identity Unit looking at our growing connection to SE Asia. In English we have started our ‘Drop Everything and Write’ lessons with many interesting and exciting stories being written. Our Speech task is due on Thursday.

**Nepal in Need**

You may be aware that last month Nepal suffered two huge earthquakes destroying many buildings and disrupting life for most people living in this Third World country.

Mr Taylor, while trekking in the year 2000, was given shelter by a family in a very small village not far from the Himalayas. He has just been sent word that the village is no more. All of its residents living under plastic tarps out in the open.

With the monsoon approaching things are desperate. Mr Taylor is trying to raise money for these people and any small donations would be appreciated and sent directly to the village people.

A Gold Coin Donation Mufti Day will be held on the last day of school next week with money raised also going to help these villagers.

**Year 4 News...**

Last Friday Ngayan, Lilly, Tayla and Byron went to Repton Primary to participate in the Primary Youth Environment Council Activities Day. The activities included correct sorting of school waste, reducing waste and recycling. A highlight of the day was giving a presentation about what our school is doing in this area. They also got to listen to all the good things that other schools are doing with their gardens, composting and in their local environment.

**Reminder** - Don’t forget the healthy recipe Soup Challenge....details were sent home yesterday with homework!

**Did you know?**

Don’t put broken drinking glasses or light bulbs into the recycling bin because they are made of a different type of glass and can ruin a whole batch of melted recycled glass. Instead, wrap them in newspaper and place in your normal waste bin.
