**Principals’ Report:**

**Sports Carnival**

Last week’s athletics carnival was amazing. I have never seen anything like it before. A huge thank you to all parents and families who got into the spirit and supported the students in their houses whether it was by supplying trucks, donating cakes and slices, dressing up, helping students to get dressed up, or by cheering students on or participating themselves throughout the day. A special mention and thank you must go to the ladies in the canteen who not only prepared the food but who worked so hard throughout the day. It was a great day and I hope you enjoyed it as much as I did.

**Aboriginal Dance Workshop**

Indigenous students in Years 3-6 have the opportunity to attend an Aboriginal Dance Workshop next month. Students will have the opportunity to develop their dance skills through participation. The workshop is specifically designed to give Aboriginal students the opportunity to explore their heritage, discover and engage in contemporary Aboriginal dance. A note has gone home to indigenous students.

**International Competitions and Assessments**

The English test for those students who have registered will be held next Tuesday July 28.

**Dracula Spectacular**

A reminder to return your permission note and payment to attend Woolgoolga High School’s Dracula Spectacular.

**Half Day Holiday**

On August 6 there is a half day holiday for the Coffs Harbour Cup. School will finish at 12pm. The school buses will not be changing their times for this day. A note will be sent home next week regarding this.

**Upcoming Events…**

**Nationally Consistent Data Collection**

A note regarding the 2015 Nationally Consistent Data Collection on students with a disability is included with the newsletter. This year it is mandatory for all schools to participate. Please don’t hesitate to call me if you require further information.

**Woolworths Earn and Learn**

The Woolworths Earn and Learn has started again. If you or your family shop at Woolworths please collect the stickers and bring them to school or place them in the Corindi box at Woolgoolga Woolies. If you would like a sticker collection sheet you can collect one from the office. The programme gives schools the opportunity to earn new educational resources. Thank you to all those who have brought in their stickers so far.

**School Photos**

School photos will be held on Tuesday August 4. Please make sure that your child/children are in the correct uniform including the correct coloured pants and shoes. Class, individual and family portraits are available. Each child will get an envelope for individual photos and you are asked to complete your order, enclose money and return to school prior to photo day. If you require a family photo please hand in the yellow envelope separately. These are available on request from the office. Please note that the school office cannot give change for photos as the envelopes are not opened by the school. Please send the correct money in the sealed envelope. If any concerns please contact the school.

Year 6
Year 3 News...

Homework has been given out for this week. The Home Reading Journal and the homework sheets are both due in on Friday.

In maths we have been revising Times Tables. This week we are examining how we can use repeated addition to multiply one digit numbers. In writing, we have been looking at writing narratives about unusual undersea stories. In Grammar we have been investigating “Exclamations”, and when to use an exclamation mark in our writing.

Premier’s Sporting Challenge
Year 3 have restarted completing their sporting activity logbooks as part of the Challenge. It is fantastic to see so many children achieving Diamond; which is the highest level. We certainly have many active children in year 3.

Mr Hasson

Year 4 News...

Last term Year 4 had a Soup Challenge for homework. Students had to source a healthy, cost effective soup recipe that could be sold in the canteen.

Next Tuesday’s soup will be:

Perfect Pumpkin

The cost is $3 and it will be served with a piece of crusty bread. Please fill out the order form provided and return by Friday 24th July. Please bring money on the day, payable at the canteen. Also, we will be making some basic percussion instruments in Creative Clubs. If anyone has any large tins, plastic bottles or containers could they please be sent in by Friday, thankyou!

Mrs Vines

Year 5 News...

Spelling sheets were given out yesterday. We begin our Science unit on Energy this week. Our text study in language is Poetry. For maths we are learning about decimals. A reminder that all portfolios should be returned by Wednesday.

Touch football notes went home yesterday. Please return by Thursday.

Nepal in Need

Our Nepal Earthquake Appeal continues to gain momentum as the need to support this devastated country remains. With our generous support the appeal has raised close to $1000 for this small community below Mt Everest. This equates to 4 years wages. A huge thank you to Andy, Heather and Thomas Wright for making and selling that delicious jam, which is still available from the school.

Thank you to the following people for supporting the fundraiser.
Peter McPherson of Cost Berry Farms for donating the raspberry and blueberry produce.
Edna and Brian Newman of Woolgoolga for donating a large number of new glass jars.
The local business owners of Corindi Beach and of course the community for their support. Also Rachael, Christine, Heather and those that both donated jars and sold jam.

Canteen News...

A new menu for the canteen will be out soon! Jelly will not be available this term in keeping with the healthy canteen guidelines.

Nutrition Snippet

The simplest way
...to add vegies, every day!

Eating the right amount of fruit and veg can lower your risk of cancer by 5-12 percent. Yet most adults don’t eat enough of either, particularly veg – and what adults eat affects the whole family.

Did you know legumes like baked beans are a type of vegetable?

Add legumes across your day to get some extra veg in:

- Baked beans on toast for brekky, or an easy dinner, or pack a small tin for lunch
- Add drained chickpeas to your salads
- Red Kidney beans make a tasty addition to bolognaise sauce, add towards the end of cooking.

Eating vegies doesn’t have to be complicated – aim for five serves a day, across your day.

Year 4 wrote about the soups they tasted...

The soup challenge was great. It helps kids try new things. The pumpkins soup was great. I loved it! Kirra

The soup challenge was good because it helps kids eat healthy food. James
