CORINDI public school
PRINCIPALS’ REPORT:

LIFE EDUCATION

Due to issues with the van we are unable to host the Life Education van this year. This is very disappointing but unavoidable. Money paid for the van can be used to pay for Snake Tails.

SNAKE TAILS

Snake Tails is a live reptile show and will be visiting our school on Wednesday August 26. The show will allow students the opportunity to observe reptiles in a very safe, educational environment. Cost for the show is $7. If you already paid for the Life Education van just send in $1. Please fill in the permission note and return it to school by Friday August 21.

P AND C

Our next P and C meeting will be held on Monday August 17 commencing at 3pm. Everyone is welcome to attend.

ABORIGINAL DANCE WORKSHOP

Aboriginal students in Years 3-6 were reissued with the Aboriginal Dance Workshop note yesterday. The workshop will be held on Monday August 24 at Grafton Public School. Please return the note and payment by the end of the week.

SOUP DAY

Well done Year 4 on another fantastic soup day.

SRC

Our SRC held another highly productive meeting yesterday. The first fundraiser for the Welfare Committee is the ‘SHOW YOUR TRUE COLOURS DAY’

This day raises money for cancer research. For a gold coin donation, students can come to school in their favourite footy colours or come wearing their favourite colour/colours. The SRC will be reminding students regularly about this event.

Year 3 News...
Homework has been given out for this week. The Home Reading Journal and the homework sheets are both due in on Friday.
In maths we will be looking at number patterns. We are going to use a rule to calculate numbers.
We are still revising times tables facts.
In writing, we are going to investigate writing a Persuasion titled, “It is Cruel to Keep Animals in Cages.”
In Grammar we are going to look at past and present tense. In Reading, we have been investigating Grass Trees, and how Aboriginal people used the Grass Tree. One interesting fact is that the Grass Tree can live for 600 years!
Portfolios - there are still a few portfolios that are outstanding.
We will continue with the Premier’s Sporting Challenge this week

Mr Hasson

Year 4 News...
Don’t forget to hand in your homework challenge - Marine Debris Art Competition due this Friday.
Thankyou to everyone who ordered soup today! Next week’s soup will be...

Year 5 News...
Spelling sheets were given out yesterday. In our new unit ‘Energy’ we are learning about renewable and non-renewable sources of energy. In maths we are continuing to learn about multiplication and division of decimals.

Mr Taylor

Mullaway Soccer Challenge
Both girls and boys teams tried very hard against some very strong apposition. The boys team was beaten in extra time by Mullaway who went on to win the event while the girls team made it to the final and were very proud runners-up. Thank you again to those parents who helped with transport.

Mr Taylor

Sports Equipment
Unfortunately we have a number of sports jumpers that have not been returned. Could parents please check at home for these missing items.

The simplest way
...to protect your skin

Have you been sunburnt this summer?

Too many Aussies are still getting sunburnt. On a fine summer day, sunburn can occur in as little as 10 minutes and cause permanent damage to your skin.

What you need to know:

- The more often you are burnt, combined with your accumulated lifetime exposure to UV radiation, the higher your risk will be for developing skin cancer.
- You can’t see or feel UV radiation. It is present every day, can be high even if the temperature feels cool and can pass through clouds.
- Protect your skin in five simple steps! Slip on sun-safe clothing, slop on sunscreen, slap on a hat, seek shade and slide on your sunnies.

Even though sunburn eventually fades, long term damage to skin cells remains. Even mild sunburn can increase your risk of developing melanoma and skin cancer... so always be sun smart!
