**PRINCIPALS’ REPORT:**

Hi everyone. Last week of term this week and lots happening.

**School Performance**

The full dress rehearsal today looked great and the students are really enjoying the opportunity to perform. The show will start at 11:30 tomorrow under the bottom COLA. Entry is a gold coin donation and seating is first in best dressed. Lu Townsend has kindly offered to film the show and the talented Jayden Hoskin will work his magic to make it into a movie for us. Thanks you two!

**2016 Kindergarten Orientation**

Kinder Orientation will start on Wednesday, 14th October and will run every Wednesday for 6 weeks. If you know someone who has a child starting school at Corindi next year, please let them know they can pick up Orientation information at the school office. Enrolment forms will be given out on the first day.

**Self-Help Raffle**

The raffle will be drawn after the performance tomorrow. If you are unable to be there and win a prize, you will be contacted to let you know.

Thanks again to all those who donated prizes, bought tickets and supported our great kids.

**Milo Cricket**

The students had a top day at Milo Cricket yesterday. They played three rounds of Kanga Cricket, developing their batting, bowling and fielding skills, to the beat of music over the loud speaker. Thanks to Ben for providing the equipment and giving our students such a fun day.

Year 6 News...

ANTARCTICA WORKSHOP

Thanks to Chris Olsen, Antarctica Adventurer, for coming out to Corindi PS last Tuesday and sharing many of his fascinating stories about life on Antarctica.

Students participated in discussions and were able to touch a piece of Antarctic ice! We learnt about Mawson’s Hut and got to hold a piece of history in our hands as Chris was able to bring back a piece of the hut when they restored it after many years of snow covering.

Students asked many questions, and watched video footage of the rough seas on the journey to Antarctica….not sure I could stomach it!

Great participation Stage 3, well done!  

Mrs Jessett

The simplest way
…to make pineapple sorbet.

On a hot summer’s afternoon, there’s nothing better than some refreshing sorbet. Why not make it yourself? It’s easy, cheap and fun!

Ingredients
440g can crushed pineapple in natural juice, frozen

Method
Roughly chop frozen fruit and place in the bowl of a food processor. Process until fruit becomes granular. Scrape down sides of bowl with a spatula and process again. Repeat 4-5 times until fruit mixture is a smooth, thick and creamy texture. Spoon into bowls and serve immediately with fresh fruit, if desired.
