Fruit and Vege Month
This week Year 1 and 2 will be cooking up some delicious healthy taste testers for all students to try. We are going to make a tasty hummus with vegetable sticks and a mouth-watering green fruity smoothie. We will hold a guessing completion on the day to see if students can guess what fresh fruit and vegetables are in the green smoothie.

Regional Athletics Carnival Result
Congratulations to Aleisha Quay for her 5th position in the Junior High Jump at this carnival. The region encompasses all schools from Port Macquarie to the Queensland border. Well done.

Mr Taylor
Sports Coordinator

End of Term Performance
At the end of the term we are doing a whole school performance. This will replace items at the end of year presentation night. All classes have been working really hard on their items. The performance, ‘Tiddalik’, will be held on Wednesday, 16th September, at 11.30am in the bottom COLA. All students are involved in some way so please come along and enjoy the show. Entry fee will be a gold coin donation.

Father’s Day Stall
Thanks for your support of the Fathers Day Stall today. Thanks also to Mrs Wright (the parent!) and the other wonderful mums for organising the gifts, manning the stall and helping the students with their purchases. They really love having the chance to buy their gifts.

Show Your True Colours Day
Friday’s SRC fundraiser raised $136 for Cancer Research which was fantastic. The students looked great in their colours.

Stage 2 and 3 Science Extension Groups
On Friday, visiting Science teachers from Bowraville High School will be taking charge of our Science extension group and involving the students in some amazing Science activities. It should be a fabulous day and a great opportunity for these students to develop their skills and expand their knowledge.

PRINCIPALS’ REPORT:

Mrs Wright has left on her Long Service Leave and I will be relieving in her absence. Miss Canale will be on Kindergarten for the rest of the term and I know the children will have a wonderful time with her. Mrs Lewis is relieving for Mrs Brain.

Aheisha and Smarlee McPhillips with the books they chose for the kind donation of $50 from Davis Dental at Woolgoolga. The cheque was presented to the library by Simone McPhillips at the Book Fair.

A NOTE FROM THE LIBRARY...

BOOK WEEK
THANK YOU

I would like to say a huge “thank you” to all the students and staff who were involved in our Book Week celebrations last week. Thank you to the parents and carers who dressed their children in costume for the parade, and those who came to watch.

The Book Fair was a great success – the profit of $500 will buy many new books and resources for all students to use.

THANK YOU EVERYONE!

Mrs Davies
Year 1 News...
As a part of our unit 'powering on' we have been looking at how objects are powered. We have looked at push/pulling, electricity, batteries, wind power and solar power so far. I have asked students to bring an item/object to school before next Monday, that they can present to the class and explain how it is powered, for example, a torch, push toy. We will be planning and writing our presentations at school.

Mrs Bartlett

Year 3 News...
Homework has been given out for this week. The Home Reading Journal and the homework sheets are both due in on Friday. In maths this week we will be conducting class surveys and constructing column graphs. We are still revising times tables facts.
In writing we are going to write some Sizzling Starts. In Grammar we are going to look at identifying noun group in reports. In Reading, we have been investigating reports about “Finding Fossils”. Did you know that Sedimentary rock is the best rock for fossil hunting?
Portfolios- there are still a few portfolios that are outstanding.
Well done to all the children who took part in the Book Week Parade. Your costumes looked fantastic!
End of term Whole School Production- Children should be organising their costumes for this.
Please contact Mrs Vines or myself, if you are having any problems.
We will continue with the Premier’s Sporting Challenge this week. I have been amazed to see so many Year 3 children who consistently score Diamond level each week.

Mr Hasson

Year 4 News...
A note will go home later in the week about a departure time for the Year 4 camp.

Mrs Vines

Year 5 News...
Spelling sheet 26 was given out yesterday. The class has been given an Energy Project to complete by Monday September 14. In maths we are learning about perimeters and areas of shapes.

S & K HORSE CONNECTIONS RIDING SCHOOL

We will be running our popular holiday programs over the school holidays. All activities are with our beautiful horses, with lots of country games. (max 8 per day) Be sure not to miss out and call us on 0438377858 for more info.

Bicycle Raffle
We have been kindly donated a bicycle from ‘Classic School Photos’. It is at the Corindi Shop for viewing. Raffle tickets are available to purchase at the shop or at the school office. Tickets are $1 each. Good Luck!

Head Lice
Please check you children’s hair as head lice are in season at the moment. There have been a few reported cases at school! Information packs are available at school if you are not sure about how to treat and remove nits and lice.
COFFS HARBOUR DRAMA ACADEMY

PRESENTS
CAN’T STOP WON’T STOP

A week-long, school holiday dramatic workshop.
Have you ever been interested in acting? Or wanted to learn more about the stage? Want to perfect your improvisation skills? Or learn more about the industry? Well ‘Can’t Stop, Won’t Stop’ is for you. Not only will you spend a week developing your theatrical skills, you will also get the opportunity to meet with a talent agent and come away with a professional headshot. For more information, check out our website!
